

WHERE TO DONATE TO HELP THE PEOPLE OF UKRAINE

[Dorcas International Institute of Rhode Island](#) For 100 years, Dorcas International has been welcoming and resettling refugees from around the globe. Currently, we are preparing to welcome any and all Ukrainians who choose to seek refuge in the Ocean State.

[Ukrainian Federation of America](#) Experienced organization with 25 years of service and experience providing helpful care and crisis response. Currently, UFOA is bringing critical medical supplies and devices to Ukrainians in both Ukraine and Poland.

[Care International](#) humanitarian organization providing food, water, and more to those in and fleeing from Ukraine.

[Doctors without Borders](#) Longstanding organization that works in conflict zones, helping people get to access to health care and medicine in both Ukraine and surrounding countries where Ukrainians have fled.

[International Rescue Committee](#) Specializes in humanitarian crises and is currently on the ground in Poland helping displaced families

[Sunflower of Peace](#) Small nonprofit helping Ukrainian orphans and displaced people. Currently providing first-aid medical tactical backpacks, each of which can save up to 10 people.

[Voices of Children](#) A charitable foundation in Ukraine serves the psychological needs of children affected by war (since 2015).

[Razom](#) Ukrainian-focused charitable organization working to amplify the voices of Ukrainians and currently supplying medical supplies to the country.
