## **Restart Kits for Refugees**

Thank you for your interest in donating items to help refugees settle in their new homes! Most refugees arrive in RI with next to nothing; you can help them rebuild their lives by putting together a Restart Kit. Putting together Restart Kits is also a great way to involve your friends, work teams or small groups!

- **Please purchase new items.**
- **Place the items in a clear plastic bin that can close, and label the top of the container with the Restart Kit name.**
- **Kit must be complete. We are not able to accept individual items from kits.**
- **Tape larger items to top of kit if they don't fit inside.**
- **For more information or to schedule a drop off please contact (401) 784-8707.**
