

Support Dorcas International Institute of Rhode Island with a gift of Securities!

Why Consider a Gift of Securities to Dorcas International?

If your investments have appreciated over time, you may be able to give much more than you thought possible by transferring appreciated securities (stocks, bonds, and mutual fund shares) rather than cash. You may be able to avoid the potential capital gains tax on the appreciation, as long as you have owned the investment for more than one year. Dorcas International benefits from the full amount of your gift.
